\* Referenced DIR 48744 which WAVZ interpreted as new designation of ODACID agency to handle AMBUD and considered encouraging development from YAVN standpoint since would clear up confusion caused by previous multiple channels. Asked questions re ODACID contact with AMBUD in WAVZ area and whether ODACID would handle 6-AMIRON. Para 2 said WAVZ preferred, for security reasons, not discuss with 6-AMIRON matter of transferring AMIRON personnel from San Pedro Sula to Tegucigalpa as requested by Station TEGU.
